VAT	PAID		
CE CATEGORY	A		
REGISTRATION	HIN CODE : NL HUM481391099		

Remarks:

Delight is even now, circa 18 years after launching, the paragon of a genuine 'Hutting' yacht and one of the yards' pride. She is very well equipped. Her interior style and quality are for many still exemplary. Last summer (2019) the yacht has had maintenance on the exterior which is why the yacht looks as if it was new.
